## FEET MEASURING GUIDE

You will Require:

- A4 Size Papers
- Ruler
- Pen or pencil

1

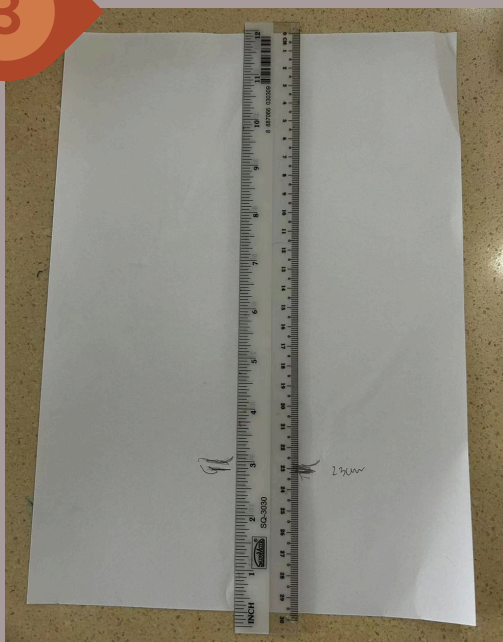

Place the A4 paper against the wall like so, and then press your heel against the wall

2

Use the pen or pencil and draw a line on the tip of your foot

3

Use a ruler to measure the distance from the bottom of the paper to the marking made in step 2

You now have the length of your feet!

Now just sit back and wait for your new skates to arrive!
